REMOTE CONTROL

Do more on your TV with your voice

Search for shows, get recommendations, even control your TV – faster – with your voice. Ask Google for a little help on your big screen.

REMOTE CONTROL

Pairing guide

Long press the Back and Home button at the same time until the red light flashes quickly, then release. This means the remote control has entered pairing mode. Wait for a few seconds without pressing any buttons until a message pops up on the screen that the remote has paired successfully.

SETUP

Complete the on-screen setup

Follow the on-screen instructions using your remote to navigate through the setup process.

For the best experience and access to the latest streaming Applications, always ensure the latest updates have been installed.
